

PARKING FOR AGSC SUMMER MEETINGS

Please see **parking map below**. **Reserved parking will be located in Lot A** (corner of Irvine Avenue and Seminary Street), which is located directly in front of the Harrison Plaza. Attendees may input “One Harrison Plaza” into their GPS devices for easy access to this lot. We will have directional signs and student workers in the lot to make sure everyone gets where they need to go.

From the parking lot, you will see the Harrison Plaza Fountain in front of you, and Bibb Graves Hall is located directly behind the fountain. (The Lion Habitat is located to the right of the fountain if you would like to stop by for a peek at Leo and Una!) When you enter Bibb Graves Hall, the Board Room will be the first door on your left.

Thanks!

Lori
